Dear Sara:

On behalf of the leadership of the International Coach Federation, I want to recognize and congratulate you on your contribution to professional coaching. As the official ICF Chapter representative in Israel and the only ICF Master Certified Coach in the Middle East, you play a major role in promoting the ICF.

The ICF is the world's largest non-profit professional association of coaches with more than 8,000 coaches in 132 Chapters in 34 countries. The mission of the International Coach Federation is *“to be the global forum for the art and science of coaching, to inspire transformational conversations, advocate excellence, and expand awareness of the contribution coaching is to the future of humankind.”*

As a Chapter Leader, you join hundreds of ICF volunteers around the globe who are busy creating avenues to higher levels of success and professionalism for ICF members by:

- Working to increase the demand, trust and respect for professional coaching worldwide.
- Upholding and promoting our high standards of certification and ethics for coaches.
- Developing a world-class association capable of meeting the growing needs of our professionals and of coaches in training around the globe.

On a personal note, I want to acknowledge your warmth and sincerity. I have enjoyed working with you and wish you all the best.

With Warm Regards,

Daniel A. Martinage, CAE
