Dear Sara:

On behalf of the International Coach Federation, I want to commend you for your commitment to the establishment of a Middle East Coaching Conference. This conference will provide a wonderful opportunity for the coaches of the Middle East to come together to discuss the future of coaching in their region and the positive benefits that the profession can offer to the Middle East.

We look forward to the development of the coaching profession in the region. We have enjoyed working with you as the founder and president of the ICF Israel Chapter, and we look forward to our continued relationship.

Best of luck as you begin the planning for the conference.

Warmest Regards,
